## COMPATIBILITY

The Carbon Shifter Knobs are compatible with the following Fanatec shifters:

- ClubSport Shifter
- ClubSport Shifter V1.5
- ClubSport Shifter SQ
- ClubSport Shifter SQ V1.5
- ClubSport Shifter SQ V1.5 Limited Edition 2019

 **NOTE:** Do not attempt mounting the shifter knobs onto third-party shifter shafts.

 **NOTE:** Use a clean, moist cloth for cleaning the knobs. Only use water without any chemical additives.

 **NOTE:** Do not overtighten the knobs. Tighten only by hand. Do not apply thread-locking fluid.

## MOUNT & UNMOUNT

- To mount the selected Carbon Shifter Knob, carefully place the knob onto the shifter shaft and turn in a clockwise direction until firmly locked against the threading of the shifter shaft.

- To unmount the selected Carbon Shifter Knob, turn in a counterclockwise direction until the knob is completely free from the shaft threading.
